Sub:-Part Admission in NIOS to get certified in TAMIL language in Secondary & Sr. Secondary level.

Sir/Madam,

I understand that KVs of Tamil Nadu & Puducherry are taking efforts to teach Tamil Language to the students who are interested to learn Tamil which happen to be their mother tongue. But these students are not able get valid certificate at Secondary & Sr. Secondary level which is required to get appointment in Tamil Nadu Govt. Services.

In this regard I suggest you to recommend the students to get enrolled in NIOS at Secondary (X STD) and Sr. Secondary (XII STD) level thro Part/duel admission to get certificate in Tamil language.

Details are:

1. Online admission thro www.nios.ac.in portal by opting dual/part admission.
2. Admission fee Rs. 600/- which can be paid by online demand draft. This fee includes the study material which be delivered to their home address.
3. Admission valid for 5 years so that he is not under pressure to complete in the same year.
4. NIOS Certification is equal to CBSE/ICSE Certificate so that it is accepted everywhere.
5. Examination in their respective town and certificate will be sent to their home address.
6. 14 Years & above can register for the Class X & those who passed class X can register for XII.

Hence, I request your good self to inform the Tamil teachers of your vidyalaya to get their students to get qualified in Tamil before they complete class X & XII. This initiation will help the students in long way.

For any clarification feel free to call us.

Thanking you

Yours faithfully

P. Ravi
